Faye is a cosy saxony carpet range from Beaulieu's Ideal brand, with a playful personality and vogueish colour choices. The carpet has a dense, 1/10" polypropylene construction and action fleece backing – providing a warm, tactile surface. It is a gorgeous option for bedrooms and other areas where comfort is a priority. Polypropylene has phenomenal thermal insulation properties – reducing power usage by heating or air conditioning units. With its impressively low price-tag, Faye is a fabulous choice for those who want to fashion a lush, carpeted space without breaking the bank.
