Lily

Lily is a charismatic nylon carpet range from Belgian brand ITC, part of the Balta Group. It features a 1/10" plain saxony construction; soft and luxurious underfoot. The nylon yarn is incredibly flexible – bouncing back into shape after being condensed and preventing crushing. It is therefore suitable for heavy duty residential contexts – and with its impressive Cfl-s1 fire-rating when glued, it is also safe for normal commercial uses. Supported by action fleece backing, boasting incredible comfort and performance, it comes with a lifetime stain warranty and 20-year wear warranty. Lily is available in 10 trendsetting colours – solution dyed for infinite light fastness.
