

Primrose

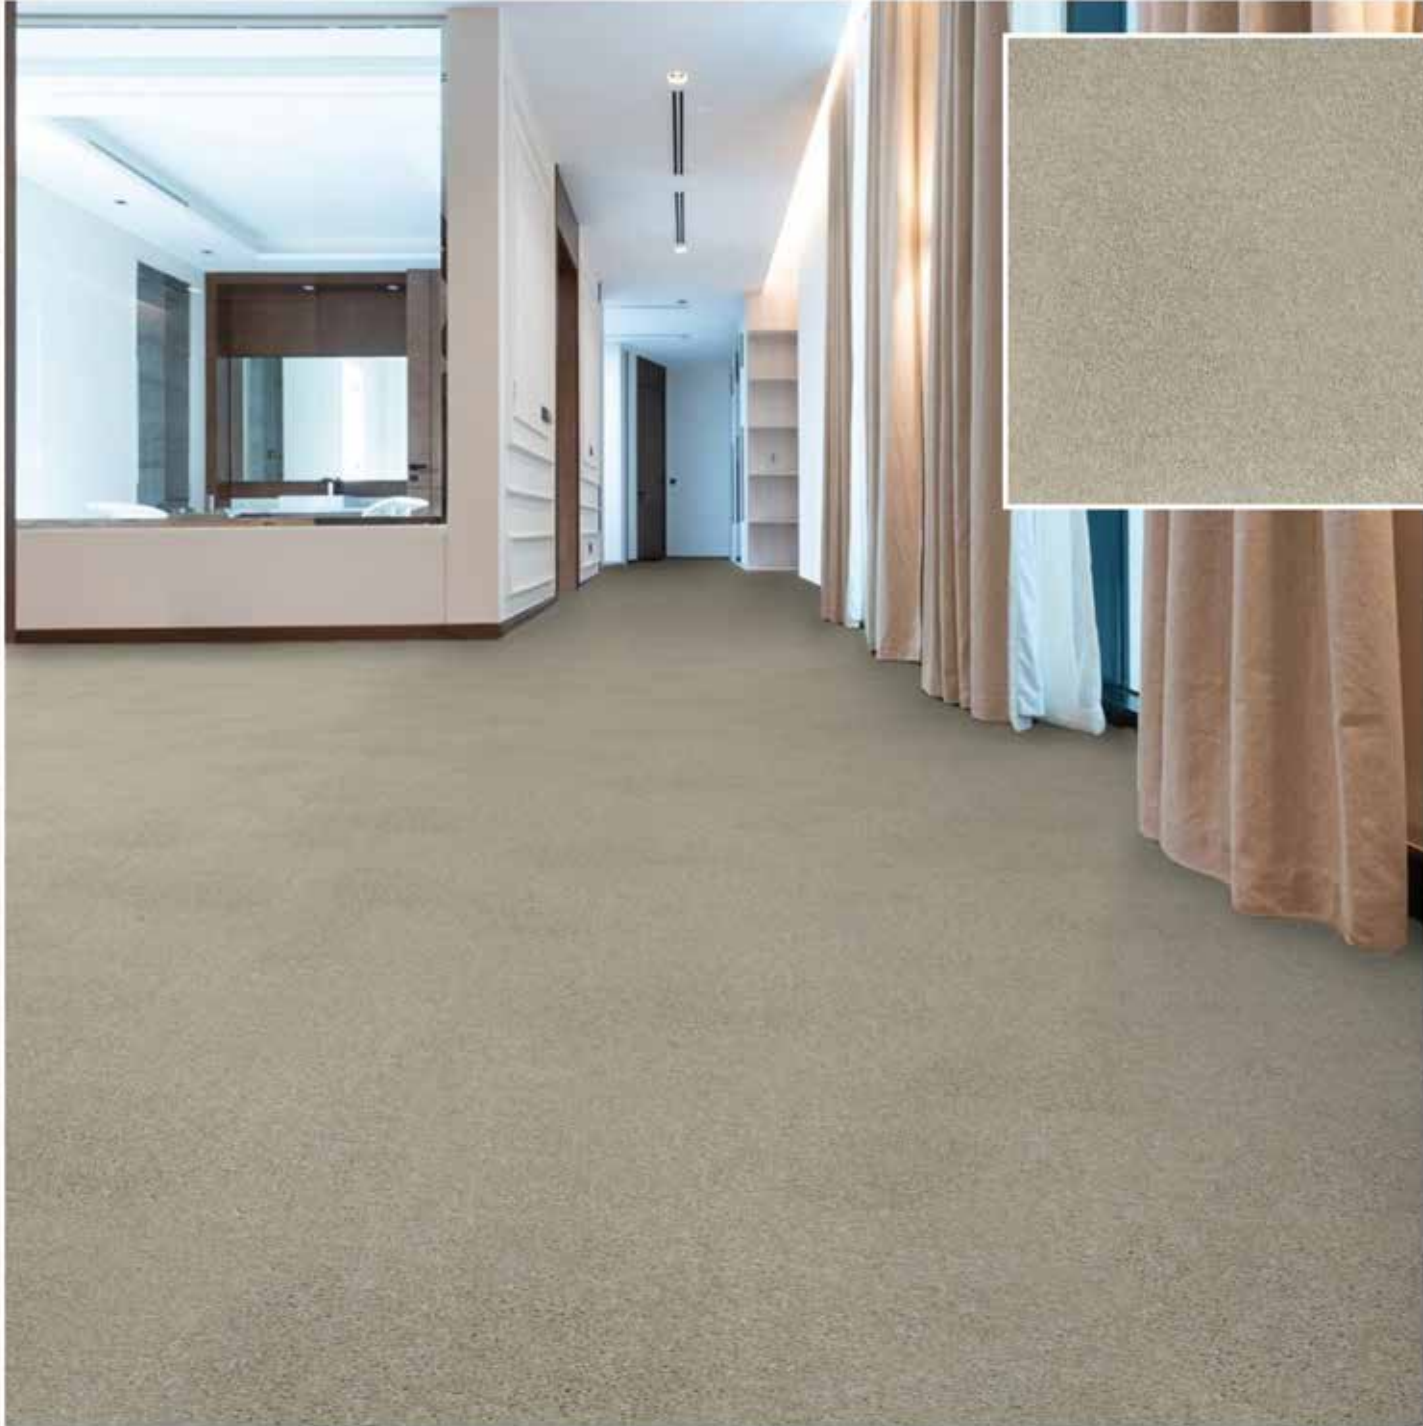

Primrose is a sophisticated, solution-dyed nylon carpet range with 1/10" saxony construction – luxuriously soft, comfortable and super hard-wearing. It is available in eight classy colours and is a perfect match for clean, paired-back spaces – or gentle counterpoint to bright urban aesthetics. The nylon yarn is stretchy, so it will always bounce back into shape and is ultra-resilient to crushing and matting – while its action fleece backing adds extra comfort and durability. It can therefore be used in any residential space, including high-traffic areas like hallways, and any normal commercial areas. With a 20-year wear warranty and lifetime stain warranty, you can be sure it will stand the test of time.
