

# Evolution

Extra Wide LVT Click Plank

## TECHNICAL SPECIFICATION

Gerbur Evolution 5 mm Click flooring brings the natural look of real wood flooring with none of the disadvantages. Produced with 100% pure vinyl. Does not contain recycled material and therefore all contents confirm to EU standards. Gerbur LVT meets safety requirements for flammability, slip resistance and many other safety codes.

| Name                        | Result  |
|-----------------------------|---|
| Thickness (mm)              | 5.00  |
| Wear Layer (mm)             | 0.55  |
| Utilization Class           |                           |
| Coating                     | PU with DiamondShield™  |
| Embossing                   | Real wood texture   |
| Bevelled                    | Yes, micro bevel  |
| Installation                | Uniclick Locking System  |
| Fiberglass                  | Yes   |
| Plank Size                  | 230 x 1830  |
| Sqm Per Pack                | 2.5254 sqm  |
| Pallet Packing              | 222.235 sqm   |
| Impact Sound Insulation     | ISO 717-2 5dB   |
| Chemical Resistance         | EN423 High Resistance   |
| Residual Indentation        | EN433 ≤0.08 mm  |
| Dimensional Stability       | EN434 ≤0.08%  |
| Colour Fastness to Light    | EN20105-B02 ≥ 6   |
| Abrasion Resistance         | DIN51130 R11  |
| Water Resistance            | EN13553 100 % water proof   |
| Wear Resistance             | EN660-2 Group T   |
| Antimicrobial Activity      | ASTMG 21 - 96 Class 0   |
| Fire Rating                 | EN 13501-1 + A1: 2009 Pass  |
| Warranty for Domestic Use   | Lifetime  |
| Warranty for Commercial Use | 15 years  |

Gerbur LVT products are made from 100% vinyl material can boast Green building standards and can be eligible for LEED points in commercial applications.
