Amaryllis

Equal parts modish and classical in style, Amaryllis is a luxurious nylon carpet range made by ITC, a sought-after brand from Balta Group. The strong and stretchy nylon yarn is manufactured into a dense 1/10" saxony pile – creating a carpet that feels firm yet soft underfoot and is incredibly hardwearing. This is affirmed by the impressive warranties – 20 years for wear and lifetime for stains.

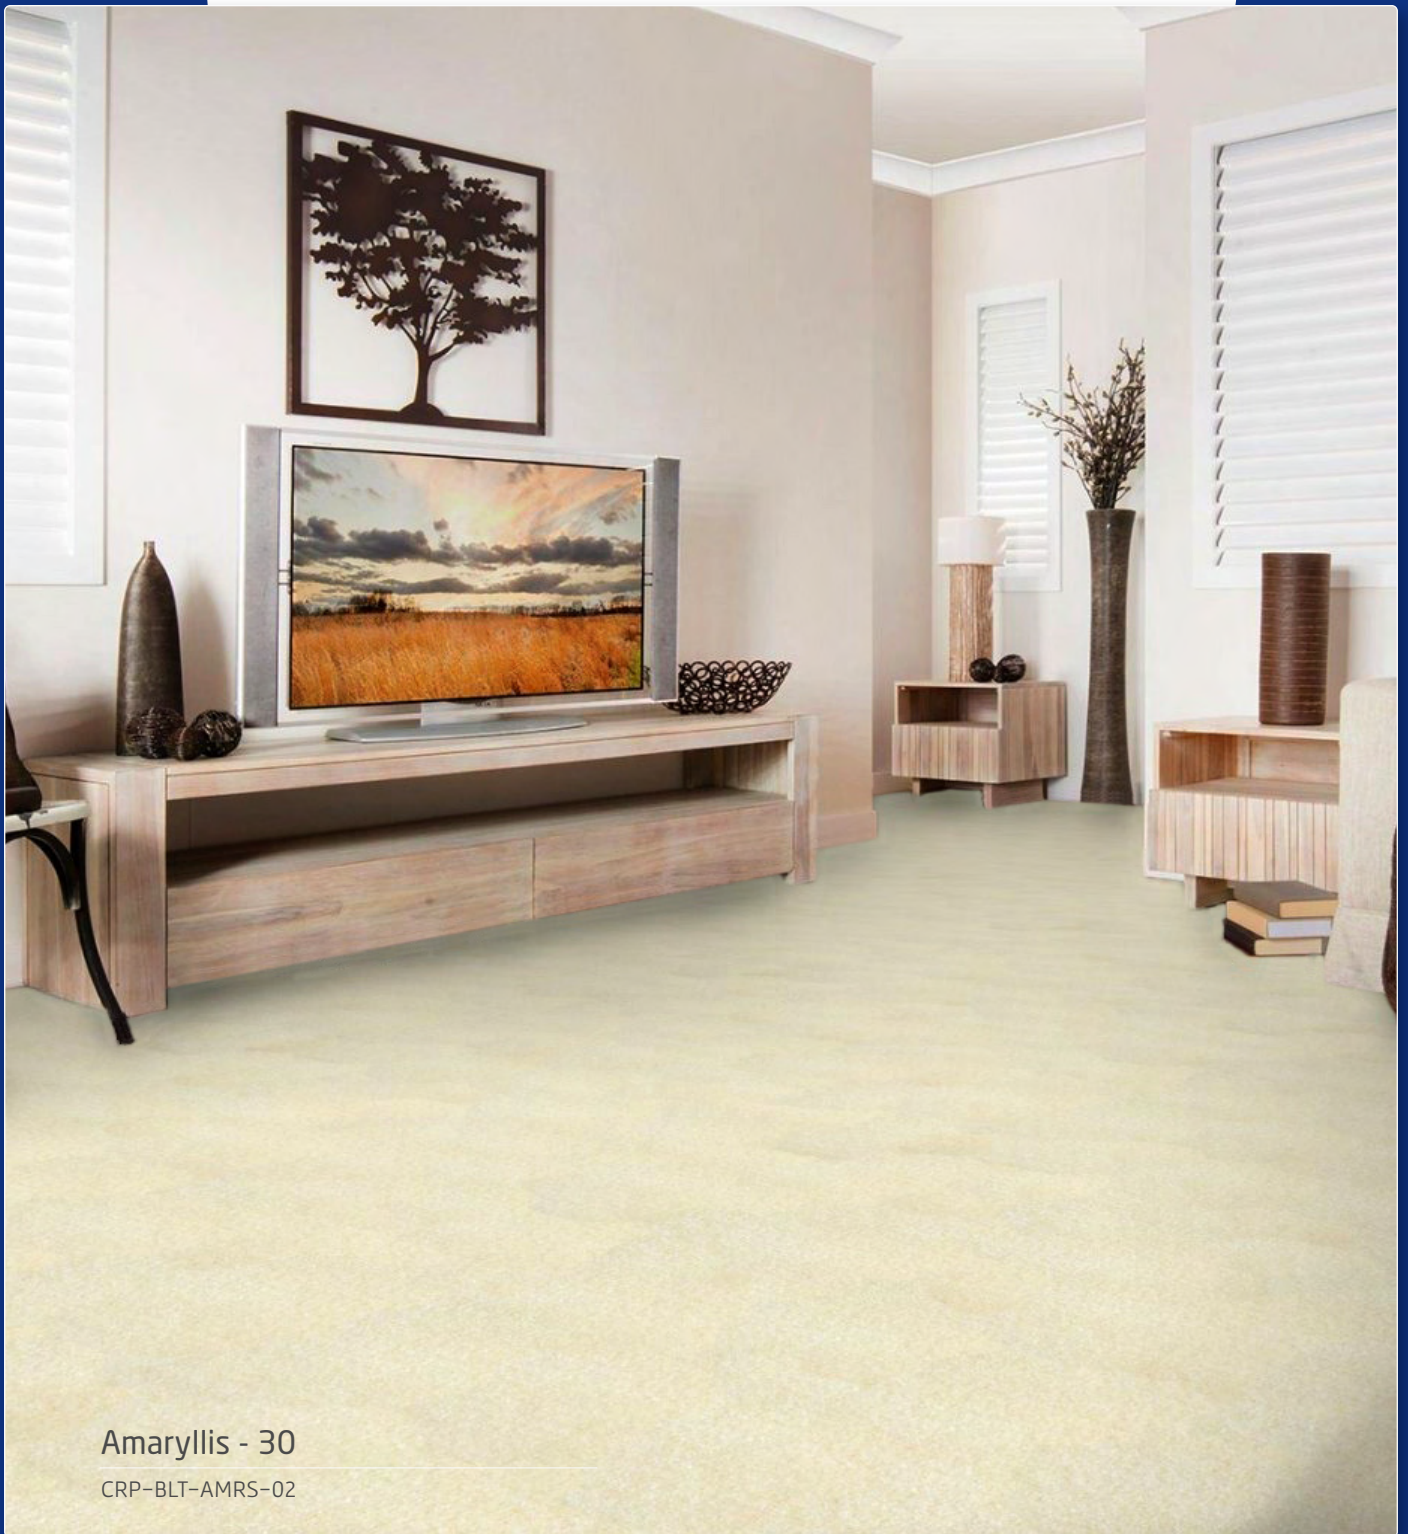

It will stand up to heavy use in all residential spaces as well as normal business environments. Amaryllis comes in six warm and cool neutral colours, for a sense of timeless grace.
